Allegro-Pro Sign Referral Partnership for Esker S2P and O2C Solutions

Derby, UK — November 29, 2023 — [Esker](#), a [global cloud platform](#) and leader in [AI-driven process automation solutions](#) for Finance, Procurement and Customer Service functions, today announced a strategic partnership with Allegro-Pro to refer the full suite of Esker [Source-to-Pay](#) (S2P) and [Order-to-Cash](#) (O2C) solutions for businesses globally.

Allegro-Pro specialises in a wide range of SAP financial modules and has hands-on experience in implementing SAP S/4 HANA and On-Premise solutions. Its dedicated consultants will refer Esker solutions alongside SAP modules to ensure the most comprehensive solution package for their clients.

“We are committed to helping our customers reach their goals, and offering the best customer service and support. For businesses considering moving to SAP S/4 HANA or are already running SAP, we can help get the most out of their system by referring Esker’s fantastic automation solutions.”

Yoav Bernstein, Director, Allegro-Pro

“We are delighted to work with Allegro-Pro, which continues to build upon the partner base and open up new markets for Esker Northern Europe. This collaboration ensures that the customers of Allegro-Pro will not only experience greater efficiencies and cost savings but also share the benefits of process automation with their customers and suppliers. Plus, with Esker solutions having SAP-certified integration, this makes it a perfect partnership.”

Alistair Nicholas, Managing Director, Esker Northern Europe
