Esker and CoCredo Sign Partnership to Help Businesses Avoid Adverse Risk and Increase Efficiency

Derby, UK — September 6, 2023 — [Esker](#), a [global cloud platform](#) and leader in [AI-driven process automation solutions](#) for Finance, Procurement and Customer Service functions, today announced a strategic partnership with CoCredo to transform Collections Management and Credit Management processes for businesses globally.

The partnership is a big step towards improving automated credit solutions and recommending appropriate credit limits and terms based on each customer's unique situation. This will help businesses manage risk and ensure revenue through Esker's user-friendly digital platform.

"CoCredo is delighted to become a strategic partner with Esker bringing together a wealth of expertise to create pioneering solutions in assisting businesses to drive profitability, avoid adverse risk, and increase efficiency that meets the evolving needs of our customers."

"We are excited to embark on this transformative journey with Esker. Our partnership is a strong combination of our strengths. We have great confidence that working together will accomplish outstanding results that will benefit our customers and the broader credit data industry."

Dan Hancocks, Managing Director, CoCredo

"CoCredo's high reputation in the market means they are the perfect partner to refer our Collections Management and Credit Management solutions. We look forward to working together helping businesses to reduce the possibility of bad debt."

Alistair Nicholas, Managing Director, Esker Northern Europe

About CoCredo

CoCredo has been one of the UK's leading Credit Reference agencies for over 20 years. We provide online company credit reports and related credit check information for businesses within the UK and overseas. Our credit reporting and monitoring systems help protect thousands of our customers from bad debt giving them access to company data that stretches across 235 countries which is continually updated and is accessible 24/7 through our cloud-based portal.

We aggregate data from leading UK, Ireland, and overseas providers so that our customers can view the best available data in an easy-to-read, competitively-priced report. We offer XML Integration, Quick Credit Reports, portfolio management tools, and our Dual Report unique for the industry.

CoCredo won the Credit Information Provider of the Year at the National Credit Awards, 2022.
