

Press Release

Tratech Consulting Partners with Esker to Deliver Intelligent Automation Solutions Across the UK

Derby, UK — April 24, 2024 — [Esker](#), a [global cloud platform](#) and leader in [AI-driven process automation solutions](#) for Finance, Procurement and Customer Service functions, today announced a strategic partnership with Tratech Consulting, a leading UK-based technology consulting firm, to offer businesses opportunities to streamline their finance and customer service operations.

The joint solution offering from Tratech Consulting and Esker includes:

Intelligent Process Automation

- Automated invoice processing, accounts payable, and accounts receivable workflows
- AI-powered data capture and validation to eliminate manual data entry
- Seamless ERP integration for streamlined financial operations

Procurement Automation

- Automated purchase order processing and supplier management
- eProcurement tools to improve visibility and control over spending

Digital Transformation Consulting

- Business process analysis and optimisation
- Change management and user adoption support
- Custom system integration and implementation services

Ongoing Support and Optimisation

- Dedicated customer success managers
- Rapid issue resolution and technical support
- Continuous process improvement and performance monitoring
- Access to Esker's global customer community

“We are excited to partner with Esker, a renowned innovator in the Order-to-Cash, Accounts Payable, and Expense Management automation space. By combining Esker's best-in-class cloud solutions with Tratech's deep expertise in digital transformation, we can provide our clients with an end-to-end offering to optimise their critical financial, procurement and contract management processes.”

Matt Rose, CEO, Tratech Consulting

“We are thrilled to partner with Tratech Consulting, a respected leader in digital transformation consulting. Together we can empower organisations across the UK to unlock the full potential of intelligent automation to drive efficiency, productivity and sustainable growth.”

Alistair Nicholas, Managing Director, Esker Northern Europe

About Tratech

Tratech works closely with its clients to deliver positive change for the end-users and their bottom line by improving time to market, delivering a better customer experience and improving operational processes. Tratech operates a true DevOps culture mindset, both internally and with customers, constantly innovating and driving business forward to learn new tools and processes. Tratech advocates a ‘creativity through technology’ approach that is intrinsically woven into every aspect of the business. Tratech won Business Consultancy Awards 2024 for Best Customer Focus.
